REAR NUMBER PLATE AND G.B. PLATE

Page No. **N.15**

This diagram illustrates the assembly of a car door, showing the main door body and various components that attach to it. The parts are numbered as follows:

- 1-8:** A series of small fasteners or clips along the bottom edge of the door body.
- 9:** A long horizontal bracket or support arm.
- 10-19:** Various bolts, nuts, and washers used for mounting the door body to the frame and attaching internal components.
- 20-22:** A hinge mechanism for the door.
- 23-25:** A lock assembly, including the lock body and handle.
- 26:** A circular component, likely a speaker or a vent.
- 27-29:** A trim piece or weatherstripping component for the door's edge.
